

OUMOU SANGARE

Sound Rider 2017

PA

A Professional 15" sound system is required. It must provide a wide and coherent sonic coverage for all the audience and able to produce 110dbA at the foh position.

PA should be operational at Oumou Sangare Crews get in and the system engineer in charge of, must be present all the time until the end of the show.

Speakers we like: Clair Brothers Audio, Adamson, Heil Acoustic...

FOH

Digital: We prefer Soundcraft Vi, Midas Pro.

- 1 x CD Player
- 1 x Intercom system
- 1 x Talk back Mic
- Tube and vintage equipment are welcome
