

AVA - TECH RIDER

Acoustic Piano/Violin/Electronics

AVA is an instrumental duo, Anna on violin and Aisling on piano & electronics.

The vocal mics are only for communicating with the audience between songs, 1 should be by the piano and 1 centre stage.

The piano should be mic'd (A-B stereo setup or similar).

Provided by venue:

2 x floor monitor

Stereo mics for piano + stands

3 x DI

2 x vox mic + stands

2 x power

1 x table or flight case for laptop (approx. 120 cm (w) x 80 cm (h) x 80 cm (d))

Reverb/EQ to be added on mixing desk (if not available please give notice ASAP)

Note: backing tracks will be pre-mixed within Ableton and will come out as a stereo mix from the audio interface on 2 channels. The interface can plug directly into XLR's to FOH or a stereo D.I.
